FISCAL NOTE ANALYSIS

**STATE OF ALASKA
2018 LEGISLATIVE SESSION****Analysis**

SB 4 authorizes the Board of Barbers and Hairdressers to add two new license types: one for hair braiding, and one for barbers with a limited scope of practice. The new limited-barber license will not allow practice involving chemical straightening or curling, chemical dying, or bleaching of the hair.

In addition, this bill removes the Department of Environmental Conservation from shop and school inspections for barbering, hairdressing, hair braiding (new), manicuring, or esthetics, and requires the board to adopt regulations regulating the cleanliness of shops and schools for those vocations.

If the bill passes, the division will require \$3.6 to cover legal costs to amend regulations, printing, and postage in the first year.

Professional licensing programs within the Division of Corporations, Business and Professional Licensing are funded by Receipt Supported Services, fund source 1156 Rcpt Svcs (DGF). Licensing fees for each occupation are set per AS 08.01.065 so the total amount of revenue collected approximately equals the occupation's actual regulatory costs.
